Women Development Cell

In its efforts to make K.R.Bellad College has a strong plan for gender sensitization, we are planning to undertake the following activities:

- 1. Spread Awareness through Webinars/Seminars:** To empower female students and faculty, we conduct weekly webinars on mental health, feminism, menstrual and reproductive health, nutritional requirements, safety, etc. So far, in the session 2021-22, we have conducted webinars aimed at gender sensitization, information dissemination regarding women's health and skill-building through social media. We aim to continue such endeavors in offline mode too.
- 2. Spread Awareness through Campaigns:** Following in the footsteps of WDC's Red Dot campaign which focused on the de-stigmatization of menstruation, we plan to launch a social media campaign centered on sexual violence and harassment in this session.
- 3. Conduct Group & Panel Discussions:** Since its inception, WDC has been at the fore front of initiating discussions on women rights, and mental health. We aim to conduct regular group discussions on social issues relevant to women.
- 4. Organize Educational and Skill Enhancement Workshops:** There are a disproportionately low percentage of women in the labor market and higher executive jobs. They also tend to suffer

when it comes to financial independence and awareness of their rights. To counter this, we intend to conduct workshops on:

a. Financial literacy- to inform about property rights, bank account opening, investing in stocks, mutual funds etc

b. Entrepreneurship and opening a small business- to inform about government schemes meant for start-ups, grants and loans for women, NGOs that support women entrepreneurs.

c. Queer inclusive sex education- to inform about different sexual orientations, consent, contraceptives, STDs etc.

d. Legal literacy- to inform about laws that safeguard the rights of women like POSH, Equal Remuneration Act, Medical Termination of Pregnancy etc.

- ✓ Formation of Gender Sensitization Working committee and implementation of actions to increase gender inter sectionality awareness.
- ✓ To increase capacity of staff to address gender imbalance and enabling women to have a wider role in governance decision-making.
- ✓ To raise awareness among females regarding various societal issues concerning women and career choices
- ✓ To ensure that our admission processes address the gender imbalance
- ✓ To encourage more number of female applicants for teaching and non-teaching positions
