

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The college has highlighted several healthy and best practices that enhance institutional functioning and student development.”

“The college has highlighted and successfully implemented several healthy and best practices that contribute to the overall development of students and the institution.”

- To create an eco-friendly and sustainable campus environment.
- To develop environmental awareness and responsibility among students and staff.
- To reduce the institution’s carbon footprint through green practices.
- Need for regular monitoring and maintenance of green practices.
- Motivating all stakeholders to adopt eco-friendly habits consistently.

- To provide continuous academic, emotional, and personal guidance to students.
- To identify slow and advanced learners and provide them with appropriate support.
- To build a strong mentor–mentee relationship for holistic development.
- Each faculty member is assigned a group of students as mentees.
- Regular mentoring sessions are conducted to track academic progress and provide personal support.
- Special attention is given to slow learners through remedial coaching, while advanced learners receive enrichment programs.
- Career guidance and counseling sessions are arranged through the mentoring framework.
